

CONGRESSOS E CONFERÊNCIAS NO ESTRANGEIRO

coordenação
de M. Regina Tavares

Alguns anúncios complementares aos que já saíram no Boletim anterior.

1981 Março

10-13	Giessen (R.F.A.)	Vortragstagung «Geschichte der Chemie»
23-24	Miami Beach (Fla, USA)	International Conference on Polyurethanes
24-26	Londres (G.B.)	The use of Chemical Nomenclature
26-31	Monte Carlo (Mônaco)	Energy and Environment Education in Europe
29-3/4	Atlanta (Georgia, USA)	ACS — Spring — Meeting

Abril

6- 7	Glasgow (Escócia)	2 nd European Conference on Polymers, Plastics and Polyurethanes
6-10	Eastbourne (England)	Europaischer. Kongress für Biotechnologie
6-11	Lisboa (Portugal)	4.º Encontro Anual da Sociedade Portuguesa de Química
28-30	Livingstone (G.B.)	Conference on Reliable Production in the Process Industries
29-30	Montreal (Canadá)	International Conference on Polymers, Plastics and Polyurethanes

Maio

3- 9	Brest (França)	XVIII ^e Semaine d'Etudes de Chimie Organique-SECO XVIII
4- 6	Trier (R.F.A.)	Vortragstagung «Neuere Entwicklungen: Waschverfahren, Rohstoffe, Analytik, Umwelt, Gesetzgebung».
4- 8	Utrecht (Holanda)	Macheko-Milieu '81
15-16	Geneve (Suíça)	25 ^{ème} Assemblée Générale la Société Suisse de Chimie Clinique.
18-29	Lagos (Portugal)	Catalyst Deactivation
27-29	Schliersee (R.F.A.)	Symposium «Heterocyclen in der Synthese»

2-15/7/82

Karlsruhe
(R.F.A.)

17. Seminário Internacional para Investigação e Docência em Engenharia Química e Físico-Química.

Junho

1- 5	Julich (R.F.A.)	Fachseminar «Chemie und Verfahrenstechnik der Radioaktiven Waste-Verfestigung».
3- 5	Milão (Itália)	European Symposium «Progress in Food Engineering-Technologies of Solid Extraction, Purification, Texturization».
15-19	Toronto (Canadá)	1981 International Conference «Modern Trends in activation Analysis».
25-26	Copenhague (Dinamarca)	European Conference on Polyurethanes.

Julho

20-23	Praga (Checoslováquia)	22 nd Microsymposium «Characterization of Structure and Dynamics of Macromolecular Systems by N.M.R. Methods».
-------	---------------------------	---------------------------------------------------------------------------------------------------------------------------

Agosto

9-14	Maryland (USA7)	6 th International Conference on Chemical Education
23-28	Auckland (Nova-Zelândia)	Golden Jubilee Conference «Chemistry in the Service of Man»

31-4/9

Praga
(Checoslováquia)

Chisa'81
7th International Congress of Chemical Engineering, Chemical Equipment Design and Automation.

Setembro

1- 4	Aberdeen (Escócia)	Second Symposium Européen d'Analyse Thermique.
6- 9	Salzburg (Áustria)	III. International Congress for Clinical Enzymology
6-11	Mainz (R.F.A.)	8 th International Congress on Metallic Corrosion. 7 th Congress of the European Federation of Corrosion.

7-11	Norwich (G.B.)	Eucmos XV XV. European Congress on Molecular Spectroscopy.	20-27	Pretória (África do Sul)	23 rd International Symposium on Chemistry of Natural Products
14-18	Hamburg (R.F.A.)	19. G Dch — Hauptversammlung	22-27	Tóquio (Japão)	4 th International Conference on Organic Synthesis (IUPAC)
14-18	Hamburg (R.F.A.)	Podiumsdiskussion und Symposium «Wo Stehen wir in der Chemotherapie des Krebses».	30-3/9	Viena (Áustria)	9 th International Mass Spectrometry Conference
16-18	Londres (G.B.)	International Symposium on Chemical Engineering Education	29-4/9	Kyoto (Japão)	5 th International Congress of Pesticide Chemistry (IUPAC)
22-24	Brigton (G.B.)	Sefi Annual Conference 1981.	Setembro		
24-25	Kyoto (Japão)	Japan Conference on Polymers, Plastics and Polyurethanes.	6-10	Munique (R.F.A.)	7 th International Heat Transfer Conference
28-29	Kyoto (Japão)	Symposium international sur la Technologie des Poudres	13-17	Philadelphie (Pa, USA)	3 ^e Congrès International de Filtration
Outubro			?	Louvain-La-Neuve (Bélgica)	3 rd International Symposium on the Scientific Bases for the Preparation of Heterogeneous catalysts
1- 2	Ludwigshafen (R.F.A.)	Vortragstagung «Elektrochemische Energie Umwandlung Einschliesslich Speicherung und Thermochemie.	Outubro		
20-25	Moscovo (U.R.S.S.)	Nefta-Gaz International — Petroleum and Gas Exhibition for the U.R.S.S.	4- 6	Boston (USA)	ISCRE 7 — 7 th International Symposium on Chemical Reaction Engineering
Novembro					
10-13	Göteborg (Suécia)	Kemi 81. Internationale Fachmesse für Aüstrung für die Prozessindustrie, Labor-technik, Analyse, Forschung und Roh-warem			
18-20	Gottingen (R.F.A.)	Jubiläumstatung Anlässlich des 10-Yahrgen Bestehens der Fachgruppe «Photochemie»			
Dezembro					
16-17	Oxford (G.B.)	Faraday Symposium No. 16 «Structure of the International Region».			
1982					
Fevereiro					
9-12	Manila (Filipinas)	CHEMRAWN II — International Conference on «Chemistry and World Food Supplies».			
Março					
18-19	Braunschweig (R.F.A.)	2 nd European Symposium on Storage and Handling of Particulate Solids			
30-1/4	Londres (G.B.)	Annual Chemical Congress of the Royal Society of Chemistry			
Junho					
6-12	Francfort (R.F.A.)	Rassemblement international des Arts Chimiques —ACHEMA 82			
14-19	Upsala (Suécia)	4 th International Congress in Quantum Chemistry			
12-16	Amherst (Mass. USA)	IUPAC Macromolecular Symposium			
Agosto					
?	Viena (Áustria)	5 th International IUPAC Symposium on Mycotoxins and Phycotoxins			
15-21	Perth (Austrália)	International Congress of Biochemistry
